EXPLANATION OF BAY MUSIC FOUNDATION AWARDS

1. Previous first place winners must enter next higher division.
2. Advanced Division first place winners are not eligible for further scholarships.
3. Winning contestants placing 1st and 2nd in the Intermediate or Senior Divisions will be awarded a scholarship award. A scholarship award is intended for use toward summer study at a music camp, private music lessons (instrumental, vocal, theory/composition, etc.), instrument purchase, accessories or repair. Monies can also be deposited into a verified 529 established college fund.
4. To recognize a superior level of musicianship, the **\$600.00 Tony Rongo Honor Scholarship Award** may be given, making a total of 3 awards available to 3 contestants in the Advanced Division. This award is only given at the discretion of the judges and is not necessarily awarded every competition year.
5. In the event that a scholarship winner is not able to use their scholarship toward one of the above intended uses because of special circumstances, a review board from the Bay Music Foundation will provide a decision on an alternative use of scholarship award.

INFORMATION FOR SCHOLARSHIP WINNERS

1. Winners will be required to perform at the **“Winners’ Showcase” Concert** the day following the competition, on **Sunday, February 14, 2010 at St. Boniface Church, Bay City**. They will be expected to perform the same piece with which they won their award. Failure to perform at Showcase concert will result in forfeiture of scholarship award.
2. In the event that a Scholarship Winner cannot have her/his accompanist perform with her/him at the “Winners’ Showcase” Concert, The BMF will have an accomplished accompanist available for the day of the concert. A nominal fee for this service will be charged at the discretion of the accompanist and is to be paid directly to her/him on the day of the concert.
3. Though the BMF does not specifically *require* Scholarship Winners to perform at certain community events during their award year, it is strongly encouraged. The BMF will occasionally contact Scholarship Winners offering opportunities to perform locally and representing the BMF. Winners are also welcome to find their own opportunities to perform and inform The BMF of these performances. We do remind students in High School that these performances may possibly be counted toward their required hours of voluntary community service.
